

# Provide the best urological care

## Become an EAU member

### Develop your career

### Grow your network

### Achieve scientific excellence

### Make a difference

### Career development

Gain preferred and discounted access to expert meetings on your specialisation.

- 150+** Webinars and e-courses
- 100+** ESU courses and trainings
- 25** Scholarships
- 12** Masterclasses
- 5** Exchange Programmes

### Networking

Join a community of **18,000+** members from **150** countries. Meet with **10,000+** delegates at Europe's largest urology event. Be one of **15,000** attendees at meetings of top-level specialists established in their field.

### Scientific excellence

Over **10,000+** members publish work in the *European Urology* family of journals. Be the first to access **2,000+** abstracts, publications of breaking research and the EAU Guidelines, with **75** endorsements, accessible via the interactive EAU Guidelines App. **75+** awards are given to members annually.

### Make a difference

Influence policy by joining forces with EAU offices and National Societies. Cross borders to promote equal access to healthcare and have a voice in improving urological care. Be a better practitioner by joining EAU Guidelines panels and section boards to inform best-practices, affect policy and take part in patient advocacy.

# En-bloc Membership

For national societies the EAU offers en-bloc membership agreements allowing their members to benefit from dual membership of both the national society and the EAU. By joining the EAU, your members will be part of the biggest international community in urology.

In order to benefit from an en-bloc agreement the national society is required to provide the EAU with a list of names of all its members. Furthermore, the national society has to bring at least 75% of its members into the EAU. This is excluding retired urologists and non-urologists.

## Exclusive member benefits

- Online access to the family of *European Urology* journals
- Discounted fees for all EAU events (incl. Annual EAU Congress)
- Free online access to the *EAU Guidelines*
- Exclusive access to the full *EAU Guidelines App* when logged in
- Grant and Award eligibility
- Scholarship and Exchange Programmes eligibility
- Free registration to online education activities
- Online profile to collect all personal information

## Pricing & Conditions

The pricing\* per member as part of an en-bloc agreement is as follows:

Active & Active International	€112.50
Junior & Junior International	€56

\*Fees may be subject to changes due to annual inflation adjustments

The payment of the EAU membership fees should be executed by the national society in one or two instalments, not by each member personally.

The discount applicable for individual members coming from emerging countries according to the World Bank Classification are not applicable for en-bloc agreements.

## Printed Publications

For national societies preferring an en-bloc agreement including printed publications for all members, the individual membership fees will apply (Active €225 and Junior €94), but they will receive a discount of 10% on the total amount.

Additionally, both en-bloc as well as individual members can purchase the following printed publications for a special member fee:

	Member	Non-member
EAU Pocket Guidelines	€25	€50
De Historia Urologiae Europaeae	€20	€25
Combo	€40	€70

These items can be picked up at the EAU booth during the Annual EAU Congress. If members do not attend the Congress, the items can be shipped for a small fee (handling, postage costs).
